

brodos jobportal-de

Start your career with us

We at Brodos are one of the three largest mobile communications distributors in Germany and are one of the most important trading partners for national and international telecommunications corporations. These include the network operators Telekom Deutschland, Vodafone and Telefónica as well as the manufacturers Apple, Samsung, Microsoft, Sony and many more besides.

We are always looking for people who are committed and enjoy their work.

It is important for us that we give you many opportunities for growth, whilst promoting your professional development. We offer regular courses and hold in-depth talks with each of our employees aimed at finding out your strengths and what you are especially good at.

Are you a team player, sharing our passion for this exciting, innovative and cutting edge market?

Then apply now!

As a continually growing company we offer you a secure job both now and in the future, with great scope for personal and professional development and flat hierarchies.
